Section 1. Chemical Product and Company Identification

Product No. HAB-9
Trade name HAB-BART tester
Manufacturer Droycon Bioconcepts Inc., 315 Dewdney Avenue
Regina, Saskatchewan, Canada S4N 0E7
Tel. (306) 585-1762 Fax. (306) 585-3000

Section 2. Composition, Information and Ingredients

Common Name HAB-BART tester

Section 3. Hazards Identification

Most Important hazards Not regulated
First Aid - Eyes Wash out eye with plenty of water

Section 4. First Aid Measures

First Aid - Skin Wash skin with soap and water
First Aid - Ingestion Wash out mouth with water. Have victim drink 1 to 3 glasses of water to dilute stomach contents

Section 5. Fire Fighting Measures

Extinguishing Media - Suitable Not combustible

Section 6. Accidental Release Measures

Personal Precautions No specific measures necessary
Spill Transfer into suitable containers for recovery and disposal. Finally flush area with plenty of water.

Section 7. Handling and Storage

Handling Avoid contact with eyes, skin and clothing
Storage Store in cool dry place

Section 8. Exposure Controls, Personal Protection

Protective Measures - Hands Disposable vinyl gloves
Section 9. Physical and Chemical properties

- Color: Yellow-brown
- Form: Proprietary dehydrated sterile medium containing no living organisms
- Content: 0.23 g/kg, 0.023% w/w packed

Section 10. Stability and Reactivity

- Stability: Stable under normal storage conditions
- Conditions to avoid: Exposure to direct sunlight

Section 11. Toxicological Information

- Acute Toxicity: Low order of acute toxicity

Section 12. Ecological Information

- Ecotoxicity: No relevant studies identified

Section 13. Disposal Considerations

- Disposal Considerations: Sterilize used containers by autoclaving before final disposal. Dispose of in accordance with local and national regulations.
- Container Information: Containers should be cleaned by appropriate methods and then reused or disposed of by landfill or incineration as appropriate.

Section 14. Transport Information

- UN: UN number: Not classified

Section 15. Regulatory Information

- Risk Phrases: Not applicable
- EC Classification: Not classified

Section 16. Other Information

- MSDS first issued: 04.10.2002
- Note: The MSDS is for the following non-hazardous products: all HAB-BART testers that are packaged in groups of nine in double walled plastic vials.
